Summer 2022

The NOSF class of 2022 had 44 graduates this year. All NOSF graduates received a congratulations card along with an Amazon gift card to recognize their success and hard work.

We look forward to the next chapter as these students move onto high school. NOSF follows its graduates beyond eighth grade.

Congratulations Class of 2022! We look forward to hearing from you throughout the next four years.

NOSF Raise the Cap

We celebrated our 10th anniversary with the Mud Hens! Nearly 200 tickets to the event were sold and \$40,000 raised, an incredible increase from last year.

These much needed funds will help serve families in our community by allowing us to provide educational opportunities through our scholarship program from families right here in our community.

This year, Jackson Miller, an NOSF scholarship recipient going into 8th grade, threw out the first pitch at the game!
